To whom it may concern

The International Labour Organization/Regional Office for Arab States has had the pleasure of knowing and working with 53 Dots Dar El Kotob since 1990.

During these years of collaboration, 53 Dots Dar El Kotob showed to be very professional, very reliable and very punctual especially in meeting tight deadlines or during emergency jobs.

Through their human resource experts and their years of professional experience in the area and field of printing, they proved to be up to standards in applying and using the modern printing techniques and in adopting new printing technologies.

To conclude, the ILO highly recommends the printing house 53 Dots Dar El Kotob.
